SUMMARY

Junior Software FULL STACK Developer and final year student in Mathematics with Engineering background, great interest database systems, very passionate and eager to learn different industry standards and practices.

SKILLS

- **Languages:** JavaScript, Ruby, Python, HTML, CSS, Java
- **Frameworks, Libraries and Environments:** NodeJS, ReactJS, Ajax, Express, EJS, JQuery, Bootstrap, SASS
- **Systems, CMS and Database:** SQL, Postgress
- **Testing:** Jest, Storybook, Cypress
- Highly analytical, proactive, self-motivated individual with attention to details and very strong aptitude at seeing failures and determining asset utilization.
- Outstanding interpersonal skills, communication skills and enthusiastic team player.
- Adaptable to change, motivated self-starter, able to work and collaborate within a team or work autonomously as required.
- Mathematical background with concentration in Mathematical Finance and Risk Management

PROJECTS

- **Interview Scheduler**
A scheduler able to create, delete and edit interview appointments
Front-End: HTML, CSS, React, Storybook
Testing: Jest, Storybook, Cypress
- **Tweeter**
A scheduler able to create, delete and edit interview appointments
Front-End: HTML, CSS, React, Storybook
Testing: Jest, Storybook, Cypress
- **TinyApp**
A full stack web application built with Node and Express that allows users to shorten long websites
Front-End: HTML, CSS
Back-End: Node, Express
Testing: npm
- **Lotide**
A mini clone of lodash library
Language: JavaScript
- **PlantApp**
A plant shop where users can sell plants as well as buy or even swap their plants.
Back-End: Node, Express, EJS
Front-End: HTML, CSS, SCSS
Database: PostgreSql

PROFESSIONAL WORK EXPERIENCE

Pre-Boarding Screening Officer
(GardaWorld Screening Services/CATSA)

Mar 2015-Date

- Performs screening procedures on passengers boarding flight from Calgary International Airport
- Performs screening procedures on all other non-passengers and airport workers passing through the sterile area

- Responsible for maintaining highest security level on the airport and prevent security breaches

**Tax Services Agent
(CRA).**

**Jan 2018 – Martin 2018
Feb 2017-May 2017**

- Helped Canadian tax payers prepare their taxes
- Answered questions from Canadian tax payers on issues involving their individual taxes
- Performed general customer services as required by taxpayers

**Project Planner/Support
(VG Technical Ltd, Aberdeen)**

June 2010 – May 2013

- Taught how to prepare sensitivity analysis, work breakdown structure (WBS), critical path schedules (CPS), risk profiles, cost loading activities, BOQs, CTR schedules, resource allocation, Gantt charts, histograms, PERT charts, WBS, generated baseline schedule/cost S-curves, developed schedule/cost performance reports and progress monitoring ensuring diverse projects were delivered on time, to specifications & within budgets.
- Taught how to perform schedule risk analyses on project schedules.
- Prepared and issued documents and deliverables required to support implementation of projects in line with set milestones
- Provided planning support for products installation and service operations
- Designed websites for clients

Aberdeencity Council, Crossreach**

April 2008 – May2013

- Provided support to maintenance management.
- Worked with other team members to develop risk assessment for clients
- Assisted clients with personal hygiene as well as encourage them to live independently

EDUCATIONAL QUALIFICATIONS

June 2006	Proficiency Certificate in Management	Nigerian Institute of Management
Dec 2004	BEng (Hons) in Mechanical/Production Engineering	Nnamdi Azikiwe University, Nigeria
Aug 2012	PRINCE2 Certified (foundation and Practitioner)	APMG UK
Apr 2020	BSc in Mathematics (in progress)	University of Calgary
Oct 2020	Diploma Full-Stack Web Development (in view)	Lighthouse Labs, Canada

PERSONAL DEVELOPMENT

Self-funded training courses at attaining computer proficiency in Primavera P3/P6 & Pert Master /
Primavera Risk Analysis/SAP/Prince2 (A Project Management Methodology)

PROFESSIONAL AFFILIATION

- Oct 2010 Member, American Society of Mechanical Engineers (ASME)
- June 2013 APEGA Applicant (Professional Membership)
